

ADO Exhibit 2

Case Types

These are the case type numbers for ADO from inception through the end of 2009. Please note that the following data only includes cases for ADO attorneys and not the contract attorneys. Also, a “case” includes an opening brief and a reply brief so these numbers do not reflect that number of briefs completed by ADO attorneys. Those numbers, in fact, would be double.

Types:

- 9 Involuntary commitment cases.
- 10 Juvenile cases.
- 53 Dependent/Neglect cases.
- 1 Interstate detainer case.
- 63 Straight pleas
- 36 Pleas with preserved issues.
- 4 Postconviction petition denial cases.
- 31 Probation revocation cases.
- 6 State criminal appeals.
- 2 State supervisory control petitions.
- 102 Criminal trials.
- 27 Defense writ petitions.
